

A Magnificent Stable Block Conversion

€ 900,000 fai

FCH1098

This remarkable early 19th-century stable block and its surrounding buildings have been thoughtfully and meticulously converted. Originally constructed in 1812 to serve a nearby grand neoclassical chateau, it is located in the heart of a picturesque and historic medieval town.

The 'Ecurie' has undergone a complete restoration, with the finest materials used throughout, resulting in an exquisite family home. Spread over two levels, the ground floor features a bright and inviting entrance hall, a spacious and fully equipped kitchen/living area with direct access to the terrace, a beautifully designed spa, two practical utility rooms, and an impressive reception hall with magnificent 7-meter oak beams and a striking stone fireplace. Underfloor heating runs throughout the ground floor, while the first floor benefits from elegant cast-iron radiators. Upstairs, you'll find five generously sized bedrooms, three of which have en-suite shower rooms, all finished to the highest standard.

Stepping outside, the almost entirely enclosed stable yard is built on a quad and immediately captivates with its peaceful charm and impressive space. The garden is both formal and relaxed, featuring vibrant rose beds and colorful borders, while a wisteria-covered terrace adjoining the house provides the perfect spot for enjoying an evening drink. A classically designed swimming pool and an orangerie beyond complete the idyllic setting. Additional buildings include three beautifully renovated dwellings offering an additional 107m², 83m², and 67m² of accommodation for guests or potential rental income.

This exceptional property is ideally situated close to the center of a historic market town in the heart of the Chalosse region of
